

*Confirmation and Senior High*  
***“Honoring Our  
Neighbor’s Faith”***  
*Begins Sunday Sept 11, 3:30 pm*

This fall, we will combine our Confirmation (grades 6-8) and Senior High for a few months. Parents are also required to participate as we once again enjoy a very special series entitled “*Honoring Our Neighbor’s Faith*”.

We will meet approximately twice per month. One meeting will include a brief lesson on Lutheran beliefs and the religion we will be studying. We are attempting to find a speaker from that religion to give us a more personal understanding.

The following meeting will be the opportunity to go to that religion’s place of worship. **This is intended to be a parent & youth experience.** We go as followers of Christ, gracious and grateful for this opportunity to experience, ask questions, and build friendships.

We are hoping to spark conversation between you and your youth about your own beliefs, respectfully learn about the religions around us, and clearly understand our own Lutheran Christian theology.

Our **kickoff event** will be **Sunday, September 11, 3:30-about 5:30 in Luther Hall**. We will get to know each other, review Lutheran theology and have a meal together. Please be sure to make this event a priority. **We request that you make a commitment to this course.**
